

St Margarets Fair Food Stalls 2022 Principles

1. All food stalls must be arranged through the Food Sub Committee.
Please email us at:

foodstalls@stmargaretsfair.org or Judithfolkes1@gmail.com

2. We raise a significant amount of money by selling food and drink on the day. Food stalls must not be in competition with Fair food stalls i.e. the BBQ, Tea Tent, Beer Tent and Pimms/Prosecco Stall. Stalls must not sell or give away hot drinks, alcohol or provide any meat dish that would compete with the BBQ. Small cakes or slices of cake and scones are not allowed. (Sweets or large uncut cakes to take away are permissible).
3. All food stalls must demonstrate and declare they have appropriate hygiene certificates, risk assessments and Public Liability.
Disposable gloves MUST be worn to serve food. Stalls must have a first aid box including a burns kit if serving hot food. All ingredients and any allergens must be clearly displayed.
4. We hope to again supply power centrally in 2022 and if needed will be charged at £50. More information will be given nearer the time.
5. The decision to allow a foods stall at the Fair will be at the discretion of the Food Sub Committee and the Food Principles must be respected.
Decisions are based on competition, variety and fairness and apply for this year only.
6. Registered charity food stalls will be considered in the same way as commercial ones however a 30% discount will be given. Charity number must be supplied.
7. All food stalls will be considered against a pricing grid. Consideration will be given re the size of the stall and expected profit. To help with this experience of past attendance and a purposeful assessment by the committee on the day of all food stalls will be undertaken.
8. Environmental issues must be considered. All stalls must demonstrate they have been mindful of keeping waste to a minimum and recyclable items are being used.
