ST MARGARETS FAIR

SATURDAY, 8 JULY 2023

Welcome back to the St Margarets Fair, held at Moormead Park on Saturday, 8 July 2023. For over 40 years the fair has been a fantastic day out, with great food, drinks, stalls, activities, and a full day of fabulous live music. We are delighted to offer a programme of displays as well as the football tournament and ever-popular dog show, and we are grateful to our Fair Sponsor, MortgageKart, for their generous support.

As always, the Fair is about fun and getting the whole community together, but it also raises important funds for our local schools and charities. All the money raised by the Bar, Barbecue, Pimm's stalls, and Gloria's Tea Tent goes straight back into the community as important donations to five local schools and several annually selected local charities. Look for the "Run by the Fair" badges on the stalls that support us.

The Dog Show will be held on little Moormead, courtesy of sponsor King Street Vets, and supported by Bach Canine Rehab and charity partner Mayhew, and features categories such as "Leave the Sausage" and "Waggiest Tail." We are planning a full day of live music, including local favourites, up-and-coming young musicians, and a headline act, and there are over 100 stalls booked as well as performances from local groups. Read on for a list of everyone who will be at the fair and what will be happening throughout the day.

The success of the fair is made possible by a large number of volunteers and generously supported by our partner, Alexanders Removals & Storage, who facilitate storage of the fair equipment. With minimal running costs and no paid staff, we can make sure nearly every penny earned is donated. Later in this brochure you can read more about the schools and charities, including what they help with on the day, and how last year's money was used.

We look forward to seeing you all, come rain or shine!

HOW TO FIND US

The fair takes place at Moormead Park, St Margarets TW1 1JS and runs from 12:00 – 6:00 pm. The nearest rail station is St Margarets and the closest bus line is the H37, which stops on St Margarets Road. There is very little parking on the streets immediately surrounding the fair, and we encourage everyone to walk or take public transportation. Visit our website at www.stmargaretsfair.org for further information.

THANKS TO...

The Fair committee who pull the whole event together: made up of members of the community and representatives from Orleans Park School, Orleans Primary School, St Mary's Primary School, St Stephen's Primary School and Deer Park School, this is the team that works year-round to ensure the Fair is a success. Without members of the community working together, the Fair wouldn't be what it is.

The numerous volunteers from the local schools and beyond who join us on the day to direct stall holders, pick up litter, help in the tea tent, work on the bar and barbecue, do the plumbing and electrics, and join us in the information tent...the list is endless!

The Moormead area residents, who have kindly welcomed the Fair running in the normally quiet park. We are appreciative of your continued support!

Richmond Council, without whose support the Fair couldn't happen.

SPECIAL RECOGNITION GOES TO...

Our main fair sponsors, **MortgageKart**, who have generously supported the fair and who make this magazine printing possible. They will be running a stall near the tea tent, so please head over and say hello! We are very

grateful for their generosity.

The **Turks Head** for all their efforts in setting up and running the Bar, which gives all of its profits to the Fair and its causes.

Alexanders Removals & Storage, who facilitate storage and delivery of the fair equipment and who are back with their popular stall with activities for all the family.

Radio West Middlesex who are back this year and who will be keeping everyone up-to-date with what's going on and interviewing people at the Fair.

Fullers for their support of our music. Their generosity makes it possible to have a great stage for all our musical talent and a central area to enjoy the day.

All the local businesses who have offered their generous support by advertising in this programme. All the profit raised from the programme goes back into the local community, so please do give them your patronage.

THE PROGRAMME...

Thank you to Amelia Hywel-Jones, who has created our cover design. She is an illustrator, graphic designer and motion designer based in London. Her work can be found at <https://www.ameliahyweljones.com>.

Thanks go to local marketing and web design agency **Blue Flamingo**, who have generously donated their time and design expertise for the brochure. You can read more about them at www.blueflamingo.co.uk.

Look out for the St Margarets Fair Balloon!

These stalls are run by the Fair for the Fair,
with all proceeds going to the St Margarets
Fair Charities:

- Beer Tent
- Pimm's Stall
- Barbecue
- Gloria's Tea Tent

ST. MARGARET FAIR SUPPORTS...

Local Schools: St Stephen's Primary, St Mary's Primary, Orleans Primary, Deer Park and Orleans Park Schools are all involved in the planning and execution of the fair and benefit from a much-appreciated donation each year.

Local Charities: Each year we select several charities to receive funds raised at the previous event. Last year we supported three organisations - ADHD Embrace, Seen, and Skylarks. Read how they used the money from the fair on the charity pages, and if you are from a local charity or know a local charity that would like to apply for Fair funds, please contact us at charities@stmargaretsfair.org.

St. Margarets Senior Citizens: The fair also funds an annual Christmas dinner for local seniors, held traditionally at the Turks Head Pub Winchester Room, and organized by the Fair Committee. If you have a local business that would be interested in supporting the Senior Citizens Christmas dinner, so that all fair profits continue to support our local schools and charities, please let us know at stmargaretsfair@gmail.com

Advertising and Stall Enquiries

For stalls next year please email us on stallbookings@stmargaretsfair.org or visit our website: www.stmargaretsfair.org. If you are interested in advertising in the fair brochure, please email Caroline Green at stmargaretsfair@gmail.com.

FAIR INFORMATION & LOST PROPERTY

During Fair hours, an information tent is available for all enquiries, including Lost Property, stall locations, questions or feedback about the Fair. Identification bracelets are also available for children. For lost property enquiries after the fair, please contact info@stmargaretsfair.org

RECYCLING

We are delighted to have the help of Richmond Council to make our fair even more environmentally friendly. This year, we will endeavour to recycle litter into designated containers and keep waste to an absolute minimum. We would appreciate your support in putting all plastic, glass and cardboard into the appropriate containers.

RADIO WEST MIDDLESEX

Radio West Middlesex is the hospital radio service at West Middlesex Hospital, and has been a supporter of the St Margarets Fair for many years. They have provided the fair with announcements and music for many years, and the fair is tremendously grateful for their support. We are very happy to have them back with us this year, announcing our exciting schedule of events. Radio West Middlesex have been entertaining and cheering patients at the hospital since 1967 and as a registered charity, is run entirely by volunteers. If you have a friend or relative in West Mid, please let them know, as they would love to play them a request on your behalf. To read more about them, visit www.radiowestmiddlesex.org.uk.

DMG NEWS

191 Richmond Road, TW1 2NJ 020 8891 3676

AWARDED FOR COMMUNITY INVOLVEMENT

David McGeachie Property was shortlisted for a Community Hero Award in April. We've sponsored, run and hosted music events every year for 20 years now and also paid for school fairs, street parties Art House and football strips too. Very grateful to receive this!

"David is an excellent estate agent. He was always easy to get hold of, always well informed about all aspects of the transaction and ready and willing to offer help and advice when required throughout. I would thoroughly recommend him without any hesitation whatsoever - I felt he left the bigger estate agents standing at the starting blocks."

Gill Hughes

OUR SPONSORED TEAM WIN THE CUP!

The Moor Mead Hurricanes, whose kit we sponsor, won their Cup contest. With our name on the strips! Well done lads and their families. Thrilled to be associated with your well-deserved success.

SALES UPDATE

The 2019-22 boom has subsided but sales of family homes are still very strong, for very good prices too.

LETTINGS UPDATE

Many landlords have sold up recently, so there is less supply - and yet, there is more demand than ever, so rents have rocketed.

Talk to us about either - and if you are a tenant in these tough times I can informally help with that too - call me.

"6 stars out of 5! Excellent advice from start to finish. His dedication, expertise and professional approach is unparalleled. David was honest, transparent and looked after our interests at every step."

Grant Swan

SAMARITANS

As a former Samaritans volunteer, I support this essential service. It's good to talk, call 116 123.

DOOR

Every year, more and more youth clubs are closing. Our charity aims to fill that gap by offering young people a supportive and safe space to enjoy live music and help them learn new skills, build confidence and make connections, all through their passion for music.

Here are just some of the things we do:

- We give a platform for young bands to perform and build confidence.
- We provide a safe space for young people to see live music in an alcohol and drug-free environment.
- We train our young volunteers in all aspects of running live music events including events management, sound and light engineering, hospitality and basic catering skills.

MARBLE HILL DANCE STUDIO

Marble Hill Dance Studio now serves Twickenham as one of its premier dance schools. Children dance throughout the week at Orleans Park School and other satellite centres. Training in classical ballet, modern, tap, jazz, contemporary and acrobatics. They are inspired by experienced and passionate teachers. Many of our students are successful in auditioning for vocational schools and programmes at The Royal Ballet School, English National Ballet, Central School of Ballet, The Brit School, Arts Ed and other vocational schools, many have gone onto dance professionally on stage and screen at companies like Australian Ballet, Matthew Bourne, Anton du Beke and The Brit Awards. And for those where dance is just a hobby, we instil confidence, discipline and a life-long love of dance.

FIVE-A-SIDE FOOTBALL

The annual five-a-side football competition will take place in the morning of the fair over by the tennis courts. Teams of boys and girls will compete across Year 3 & 4, Year 5 and Year 6 competitions to earn local bragging rights! More information is available on the fair website www.stmargaretsfair.org or you can email smffootball@mail.com.

MUSIC AT THE FAIR

This year promises another eclectic mix of music from local artists recording and gigging in our area. Expect to hear ska, punk, blues, folk, indie and rock throughout the afternoon.

Every year our programme includes up and coming young musicians representing not-for-profit band projects and local youth music charities. This year, Artaca, the winners of the music competition 'Battle of the Bands' will take to the stage. The competition was a sell-out show at The Twickenham Exchange in April.

Our headlining band, The Trojan Beats, an 8-piece ska band, will be on stage from 5pm-6pm playing reggae and two tone classics. So tell your friends, grab a drink and enjoy the music!

HEADLINE BAND

THE TROJAN BEATS

Specialising in Ska, reggae and two tone classics the The Trojan Beats have been together for 5 years and have enjoyed great success and recognition from playing numerous festivals, scooter rallies, pubs and clubs across the country. The band's 6ft+ frontman 'Two-Tone Malone' is fast becoming a favourite with audiences, with his lively performances and unmistakable 2-Tone haircut.

LOCAL ARTISTS AND BANDS

THE FADES

The Fades are a post punk band with band members originally from St Margarets. The Fades are now out with their new album Night Terrors – a bunch of garage-rock future classics written during and after lockdown. With DJs like Steve Lamacq, John Kennedy & Marc Riley supporting various releases The Fades are a band who've consistently turned adversity to their advantage, finding the best in life while not taking themselves too seriously.

PETE COGAVIN

An accomplished singer-songwriter his style of song-writing draws on troubadours such as Tom Waits, Bob Dylan and Leonard Cohen with folky elements of his native Ireland apparent throughout. He has performed at international festivals in France and Canada (Donnacona Blues, Nice Jazz Festival, 2012) as well as on French national television (Taratata, 2012) and radio.

MUSIC AT THE FAIR

LEMON SHARKS OF LONDON

Lemon Sharks of London are an Isleworth-based band with roots in the alternative 80s music scene. They will get your feet tapping with everything from The Cult and the Specials to their own originals encompassing reggae beats and a pinch of punk. Their song 'Riverboat Ska', out on Spotify soon, reflects their riverside lifestyle

YOUTH BANDS

ARTACA

Artaca are an original teen indie band (14-16 years) who've been writing, producing and gigging together for over 5 years. They've had lots of radio play and Oscar, their lead singer, has sung on TV and was a finalist in BBC singing talent show Got What it Takes (2021). Artaca are this year's The Basement Door 'Battle of the Band' winners - a competition for new and emerging talent.

BRING THE ANGELS

Bring The Angels is a south west London based rock band, playing heavy blues, hard and contemporary rock covers, and originals. The band met while they were students at The BRIT School, Croydon and have been gigging together in London since January 2022. Bring The Angels are: Lucy Gowen (guitar), Young Athena (vocals), Frankie James (Bass) and Ollie Menist (Drums).

POWERJAM

Minor Revelation is a talented teen band formed 3 years ago at Powerjam, the local not-for-profit band project for young musicians. Their debut single will be recorded and released through Powerjam Recordings, a label allowing young musicians to retain full copyrights.

FAIR SCHOOLS

Orleans Primary School prides itself on serving the St Margarets community with the provision of high-quality education for children from 3 to 11 years old.

It is our continuing pleasure to support the St Margarets Fair by running the BBQ and we offer them a huge thank you for their generous donation from the 2022 Fair. This welcome donation, along with other funding that Orleans Primary PTA (OPPTA) raised, has enabled us to remodel our school library.

The library is now vibrant and welcoming, supporting a lifelong love of reading and providing a much-needed space for small group work for our children.

We have also been able to regenerate the school allotments this spring, using funding to bring the outdoor learning environment back to life!

We hope to build on the success of the new library by raising funds for a much-needed nurture space in school, where children can access therapeutic intervention and emotional support in a comfortable and welcoming environment.

Our wonderful OPPTA volunteers work hard all year round to support our school; do pop over to the BBQ to say hello!

Jodie & Matt – CoChairs of OPPTA

FAIR SCHOOLS

St Mary's Primary is a church school with a vision to achieve excellence balanced with compassion. Christian values and beliefs form the basis of our school ethos and are reflected in our teaching and in the daily life of the school.

Very importantly, we have a strong sense of community where all members of the school are encouraged to respect and value each other. St Mary's is also very much part of the wider community in Twickenham. Uniquely divided across 3 sites the school dates back to 1645, so we have a long and successful tradition of providing education for local children.

We are excited to once again support the St. Margarets Fair in 2023 where a number of willing volunteers from the St Marys family will be offering their time and enthusiasm to make the event another huge success.

We are extremely thankful for the donation of £3,300 from the 2022 Fair which contributed towards the creation of a brand new outdoor learning space on the Junior site, named Willow Wood. This 'forest school' space is allowing pupils to learn in an outdoor environment from a qualified practitioner, where they are immersed in nature, play, discovery, creativity, problem solving and STEM education.

FAIR SCHOOLS

**Deer Park
School**
LEARN ENJOY SUCCEED

Deer Park school has been welcoming pupils since 2015. We are now fully established into the community and our permanent site on Richmond Road.

Our pupils are nurtured and guided through life; we aim to stimulate and inspire each child, develop their interests and equip them with lifelong learning skills.

It is so important to build these relationships with our local community and for our pupils to see the amazing work that a small group of people can achieve with organising the ever-popular and fantastic St Margarets Fair!

It is now our 6th year being involved in the fair and we cannot wait! This year we have the wonderful opportunity of running Gloria's Tea Tent. Get ready to taste a wide variety of home-made bakes, sweet treats and savoury rolls. Come along and join in with all the fun while raising money for some amazing charities.

FAIR SCHOOLS

Building Each Other Up in Love and Learning

At St Stephen's, our priority is for children to feel happy, love learning and become responsible global citizens. Our curriculum is broad so that all children can find a talent and areas they love. Pursuing excellence in every area helps all children to attain high standards.

Expectations are high with the view that all of our children will leave us with confidence and the prior knowledge needed for continued success.

Our last Ofsted inspection recognized the excellent provision that we provided for our children. "Art and music outcomes are as strong as those in history, geography and science. The pupils have access to high-quality sports teaching and resources. They speak highly of the difference that learning in all these subjects makes to their confidence and skills. They also enjoy the opportunities given to compete and perform."

St Stephen's parents work tirelessly to support our school, raising money throughout the year to help us to provide an excellent curriculum and fantastic opportunities for our children. Once again we will have parents helping out as stewards at this year's Fair.

We were delighted to receive a generous donation from the 2022 Fair which contributed to the specialist Modern Foreign language and music provision we offer our children; our Wellbeing service; online learning platforms; as well as the laying of new grass in our playground.

FAIR SCHOOLS

Orleans Park sits at the heart of the vibrant and thriving St Margarets community. We are proud to provide an inclusive, challenging and creative experience for every one of our 1400 students.

The students, who join us aged 11, are given the opportunity to explore a broad range of subjects, which will see them exceeding the aims of the national curriculum before they make their GCSE choices.

As a part of the local community, we are supported by a fantastic group of volunteers, Orleans Park Friends, made up of parents and local residents. They organise events and opportunities for fundraising in order to be able to help us provide the best educational experience for all our students. Many families look forward to the annual fireworks event, which brings the community together to watch the incredible show, while sipping on a hot chocolate or something a little stronger.

We are delighted and grateful to receive the donation from the St Margarets Fair. The most recent donations have been used to refresh our popular Music Department with new musical instruments for all our students to enjoy, such as a piano, drums and a set of xylophones.

We are as ever, extremely grateful for such generous support.

FAIR CHARITIES

Seen provide a safe space to support those facing unplanned pregnancy and baby loss, and we deliver healthy relationship and sex education to empower and nurture our

community. Our aim is to enable individuals to have the ability, confidence and self - esteem to make informed decisions and deal with difficult past decisions. We do this by offering:

- Listening and practical support for anyone with a crisis pregnancy
- 'Step by step' course for those suffering after pregnancy loss including abortion, miscarriage or still birth
- Befriending support for those continuing with a pregnancy in difficult circumstances
- Relationship and Sex Education (RSE) in local schools, colleges and youth clubs
- The 'I Am' project relationship and identity course in a local Women's Prison. If you would like to contact us, please email

With the funding received from St Margarets Fair we were able to buy two new tablets to use in client sessions and much needed new signage and marketing materials (having rebranded last summer.)

FAIR CHARITIES

Skylarks charity wish to thank the St Margarets Fair Committee for awarding us the grant of £2,500, helping to make a positive impact on those from 0 - 25 years with additional needs and their families.

Our offer of drama, creative play, karate and yoga benefits their mental health and wellbeing and has a positive impact on the stress levels of parents/carers, overall family cohesion and wider SEND community in the area and beyond.

Thank you so much.

FAIR CHARITIES

ADHD Embrace is a charity supporting parents and professionals who live and work with kids and teens with ADHD in the Boroughs of Richmond & Kingston. 5% of the population have ADHD and early intervention and support can change the outcome of a child's life. For two decades, we have worked to ensure that children with ADHD are understood, supported and thrive.

We provide a variety of services including specialist seminars led by experts, teacher seminars, free ADHD workshops, subsidised parenting courses, support community and an ADHD resource library and video store.

The income we received from St Margarets' fair was spent on printing our flyers and ADHD Handbooks which were distributed to 1,369 local teachers during school visits and hundreds of parents through GP surgeries and libraries as well as our many events.

Our flyers and handbooks do the critical job of raising awareness and also signposting all our critical services and help available to families and professionals who help children with ADHD – and more support and information means a better life for children with ADHD.
